

Websites

- **Great Looking**
- **Versatile**
- **Functional**
- **Affordable**

I offer affordable professional-looking websites that can fit the budget of small businesses wishing to improve their online presence without spending thousands of dollars.

My goal is to provide great value with minimum ongoing costs. I create sites that you can manage yourself.

I will teach you how.

Feel free to contact me -- I will be happy to talk with you about websites, marketing, social media or graphic design.
